22 Oct	██████████	MP/MSP Brief - Glasgow Airport ACP engagement process	A member of the airport team met with ██████ ██████████ to discuss the CAP1616 process and how Glasgow's ACP will evolve engagement wise. ██████ ██████████ stated they have had no recent correspondence from their constituents regarding this but was keen to understand the CAP1616 process.
25 Oct	████████████████████	MP/MSP Brief - Glasgow Airport ACP engagement process	A member of the airport team met with both ██████ ████████████████████ to discuss the CAP1616 process and how Glasgow's ACP will evolve engagement wise. They seemed assured the new CAP1616 process is more thorough and it's given local communities the opportunity to engage at a much earlier point in the process. They stated they're against growth in aviation and asked to be kept updated on the progress of the entire process. They stated a concern over the timing of stage 3c of the consultation. The consultation is currently scheduled to run from March to June 2021. The Scottish general election is on 6 May 2021 and purdah will start six weeks beforehand. This means MSPs won't be able to attend any briefings or drop-in sessions during this period (they can but they can't represent views of constituents as they won't technically have any). The Glasgow Airport employee stated that GLA will give consideration to timings in regard to this.

30/09/2019	Clydebank East Community Council	Outgoing	Workshop / follow up	Called regarding unreadable feedback. He stated that he has had issues with his laptop and couldn't use MS word or another readable format to send over the data. He has stated that he will bring a hard copy of the feedback when he attends the workshop tomorrow. I explained that this meant his feedback would be included as part of the post-workshop 2 feedback and not post-workshop 1. He stated that he was happy with this to occur as it would be reviewed along with other feedback raised at the workshops, but most importantly, prior to our 1B submission to the CAA.
02/10/2019	Glasgow Airport Consultative Committee	Outgoing	Workshop / follow up	Called to ask which date they would be able to attend. 02/10/2019	Cumbernauld Airport	Outgoing	Workshop / follow up	Returned call after a message was left to call back. Stakeholder stated they had called to state that they felt their previous feedback had been ignored. [REDACTED] stated that an email had been sent Tues 22nd Oct to address points of concern raised within a previous email. Stakeholder stated they had been off sick and just returned to work and could now see email. Issues within email were discussed, specifically that suggestions for design were too specific at Stage 1B and would be carried forward to Stage 2 when design options are weighed out and matched against appropriate detailed feedback. Also discussed was how relevant feedback had been incorporated by GLA and listed in the three-separate design principles listed in the email sent. Stakeholder was happy with response and would speak with colleagues and contact again if necessary.
24/10/2019	Helensburgh Community Council	Outgoing	Return call	Spoke with secretary, will be attending.
