ACP-2019-43 Bournemouth Airport FSI-South Airspace Change Proposal

The timeline change request proforma titled 'Indicative Timelines; V1.0' published on the 30 October 2019 was uploaded in error by the Change Sponsor before the CAA had reviewed and agreed the details. In line with CAP1616's transparency requirements the document will remain on the Airspace Portal however, stakeholders should treat the contents as information only. An agreed timeline proforma will be published shortly.
