1. **Have there have been any changes to the issue or opportunity in the Statement of Need, the operating environment or geographical area in which the ACP is being developed?**

UAVE Ltd Reply: None that we are aware of at this present time.

2. **Have there been any changes to law, government policy or CAA requirements that would affect the development of an ACP, or parts of an ACP?**

UAVE Ltd Reply: UAVE Ltd are aware of the latest CAP1616 & will review our application in line with this latest edition as shown below:

Title: Airspace change: Guidance on the regulatory process for changing the notified airspace design and planned and permanent redistribution of air traffic, and on providing airspace information

Description: This document explains the CAA's regulatory process for changes to airspace.

This updated fourth edition was published in March 2021.

3. **Have there been any changes to the list of identified stakeholders?**

UAVE Ltd Reply: The list of Stakeholders remain's as before the pause of ACP-2020-049 with the addition of Scottish Seaplanes Ltd, who we are in consultation with at this time & will give them and the existing stake holders a new 6 week period from un-pausing to enable them to review our ACP 2020-049 application/consultation period/process.
