Hi [REDACTED]

Thanks for your email.

We have now decide to Withdraw this application, so I will do that on the sponsor area of the portal and leave for you to do it elsewhere if necessary.

All the best

Subject: RE: ACP-2020-099 UAS BVLOS in Segregated Airspace (Oban-Isle of Mull-Coll)

Good morning [REDACTED],

Having noticed that ACP-2020-055 was now complete, I am just contacting you about ACP-2020-099 to find out if you want this to remain as an 'In Progress' ACP or whether you would like me to close it on the portal.

Noting that we left it requiring further engagement and it seems reasonable to me that you might have wanted to complete the active trial before making a decision on this, I don't believe there is any immediate pressure to close. This just allows me to provide the latest update at our weekly TDA meeting.

Kind regards,
