Subject: ACP-2020-105 Flylogix TDA - CAA Decision
Date: 06 October 2021 17:00:00

Dear [REDACTED]

I am pleased to be able to tell you that your proposal for a TDA under ACP-2020-105 has today been approved by the CAA.

This approval is subject to the following conditions. Please note that Conditions 1, 2 and 4 must be satisfied before the first NOTAM request is raised.

1. The Operational Safety Case for this activity must be signed off before any NOTAMs are raised to activate the TDA.
2. The full range of stakeholder groups must be informed of the CAA's regulatory decision, provided with confirmation of when the decision will be implemented and be made fully aware of the contents of any related Temporary Operating Instructions as required, and specifically the actions to take should access to the TDA be required.
3. While the temporary change is in operation, the sponsor must undertake regular engagement with stakeholders.
4. The sponsor must record all approvals and denials to enter the TDA complex while it is active.
5. Prior to activation of the TDA, the ATS Inspector for Sumburgh Radar must have received and be satisfied with the TOI's for the ATC in support of the operations are acceptable including the provision of DACs within the TDA.
6. The sponsor shall submit all NOTAM requests for TDA activation to the CAA Airspace Regulation (Utilisation) team not later than 10:00 on the Friday of the week before they apply.
7. Should the sponsor satisfy themselves that they completed all the necessary survey flights before the end of the 90 TDA applicability period, they are to withdraw the AIC for the TDA immediately.

Kind Regards
