Airspace Change Proposal

Appendix B – Engagement Overview

Executive Summary

This document contains an overview of all of Glasgow Airport’s stakeholder communications undertaken throughout Stage 2 of its Airspace Change Proposal, up until 3rd May 2022; communications after this point will be included in a subsequent submission. Full details of the communications, including communication content, can be found in Appendix C. A supplementary table is included at the top, which gives details of the mass communications issued to stakeholders throughout the process. An additional table is provided to list the technical meetings which took place throughout this portion of the ACP. For a timeline of key engagement activity, please see the engagement report.
