**Subject:** 20220621-TDA EG D597 Activation

Good morning all,

I have recently taken over from [REDACTED] as the Airspace Change Sponsor for the Temporary Activation of EG D597 (ACP-2021-048) and the longer term request for the Future Combat Airspace (ACP-2020-026).

A condition of CAP 2362 associated with the Temporary Airspace Change mandates that I write to all stakeholders informing them of the CAA decision to support the activations.

Please find attached a summary regarding the forthcoming activation requests.

If you have any questions please do not hesitate to contact me.

Thank you
