

ACP-2021-048 FUTURE COMBAT AIRSPACE 2022/2023 (TEMPORARY)

Addendum to CAP 2362 CAA Airspace Change Decision

[STATEMENT]

The CAA is aware that there was an omitted date for August 2022 Ex STROM WARRIOR from the published airspace change decision for ACP-2021-048 Future Combat Airspace 2022/2023¹.

The correct activation period for Ex Storm Warrior (August 2022) is as follows:

- 9 August 2022 and 11 August 2022 between 2000-2315.
- 18 August 2022, 23 August 2022 and 25 August 2022 between 0800-1115.

Exact timings for each activation will be specified by NOTAM and by the Airspace Use Plan (AUP)

This omitted date was a typographical error only and was included in the change sponsor's engagement, submission to the CAA, the CAA's assessments and decision-making process and in the AIP Supplement.
