Aberdeen Airport

Airspace Change Proposal

Appendix B – Engagement Overview

Executive Summary

This document contains an overview of all of Aberdeen Airport’s stakeholder communications undertaken throughout Stage 2 of its Airspace Change Proposal, up until 3rd October 2022; communications after this point will be included in a subsequent submission. Full details of the communications, including communication content, can be found in Appendix C. Two supplementary tables are included at the top, which give details of the technical meetings and mass communications issued to stakeholders throughout the process.

For a timeline of key engagement activity, please see the engagement report.
