

Southampton Airport FASI-S Airspace Change Proposal Stage 2A Appendix A B C D & E Clarification

Note when reviewing the Stage 2A Stakeholder Engagement Appendices (A-E) published on the CAA's Airspace Change Portal.

Within the executive summary of each Appendix, there is reference to an 'engagement report'. This report is contained within the Options Development and Stakeholder Engagement section of the Stage 2A Design Principle Evaluation submission document (pages 33 – 75).

The Stage 2A document can be found on the Airspace Change Portal or by following the link here.

Date: January 2023

Document Version: V1.0

Status: Public
