Dear 

Following the successful merger of flight operations formerly contained within the Specialist Aviation Services Ltd (SAS) AOC No GB1182 into the existing Gama Aviation UK Ltd AOC GB1068, I am pleased to confirm that Gama Aviation UK Ltd continues to support the Airspace Change Proposals initiated by Specialist Aviation Services Ltd. The role of Sponsor for the following proposals is now assumed by Gama Aviation Plc:

- ACP-2022-033 (Point In Space Instrument Procedures, Henstridge Airfield)
- ACP-2023-028 (Point In Space Instrument Procedures, Royal Sussex Hospital Brighton)
- ACP-2023-059 (Point In Space Instrument Procedures, William Harvey Hospital, Ashford)
- ACP-2023-027 (Point In Space Instrument Procedures, King's College Hospital)

Yours Sincerely

Director of Rotary
NP FO (Helicopters)
