

# Airspace Change Proposal ACP-2025-023 Northern LTMA Region Airspace Change (OFJES, CLN etc)

The UK Civil Aviation Authority (CAA) on 08 December 2025 approved an airspace change to move the boundary between Clacton (CLN) CTA11 and CTA 12 (Class C airspace) to the east to OFJES.

The airspace change will become effective on 19 March 2026.

Further information can be found on the CAA's Airspace Change Portal. Full reasons for the CAA's decision, including technical assessment will shortly be available on the ACP portal.
